The point scoring for the event. The number of cars starting the individual races will be taken as the maximum score thus if there are 33 starters the points would be as follows: -

1st 33 points

2nd 32 points

3rd 31 points

......

33rd 1 point

Non Finishers will receive 1 point.

Non starters no points.

No extra point for fastest lap.

In each race only the points scores two highest finishers in each team count (Shown in Bold) and the Nations Cup will be awarded to the team with the highest total of points for the two races. In the event of a tie in points the winning team will be the one which has the highest individual scoring driver.
