

Dear Friends,

It is with great pleasure that we invite you to the Historic F3 1000cc European Trophy Award Dinner, postponed from 2020, which will take place on **Saturday, March 5th, 2022** in the Ticino, the Italian part of **Switzerland**. The celebrations will take place at the **Delea Winery** in **Losone**, where Angelo Delea will be our host.

We will begin the event with a tour of the Delea winery at 4 pm. Our fellow competitor Angelo will explain all about the aceto balsamico and wine production processes, including distillery, bottling plant, wind tunnel, wine museum and barrique wine cellar, where you are invited to enjoy wine tasting and an exquisite apéro by the fireplace. There will also be an opportunity to purchase wine, liquors, balsamic vinegar and olive oil.

The festivities will conclude in the evening with a seated dinner and the 2019 championship awards presentation in the wine tasting hall.

Members of the Regazzoni Family will be present and Alessia, the daughter of Clay, will give some insights into the life of Clay, his family, racing, the **Clay Regazzoni Memorial Room**, now located at **Autobau** in Romanshorn, as well as his passion for medical research into paraplegia and his **STAND BY ME** foundation. We will also make a donation to this important cause in the name of the Historic F3 1000cc European Trophy.

Martina has set aside a limited number of rooms at **Locando Boato Bistro & Bed** and **La Fattoria l'Amorosa**, which are both very nice places to stay. However, please make your own reservations at these or other accommodations, based on your preferences and travel plans before and after the event.

Those with some extra time may want to consult the following site for inspiration.

As to getting there, **Locarno** can be reached conveniently by train from all major cities in Switzerland as well as **Zurich** airport. Another alternative is Milano Malpensa International Airport, less than two hours' drive from Losone. We will organize transportation back to the hotels in the vicinity after the dinner for those who would like to indulge in the complete offerings available at Delea winery. ☺

On account of the COVID pandemic, in order to attend the event, you will need proof of vaccination and, in addition, some restrictions are in place for entering Switzerland. The current rules state that everyone arriving by airplane must fill out an entry form, but this could change, so please consult the official **Swiss BAG website** prior to travel.

Please fill in and send back the attached reservation form with your payment as soon as possible. No payment required if you already paid in 2020.

We look forward to seeing you all on March 5th, 2022!

François, Christoph, Florence, Angelo & Martina
